The Metropolitan Opera

Yannick at the Met

This compilation celebrates the beginning of Yannick Nézet-Séguin's tenure as the Metropolitan Opera's Jeanette Lerman-Neubauer Music Director. The musical selections include highlights from some of Yannick's most remarkable earlier Met performances as a guest conductor leading the Met's renowned orchestra and chorus. Starting with his electrifying company debut on New Year's Eve 2009 conducting the premiere of a new production of Bizet's *Carmen*, this collection showcases the outstanding artistry that led to his being chosen as only the third music director in the Met's storied 135-year history.
