RIVERS

JOHN BARBER

FOURTH WINDOW, CHOIR

SARAH LATTO, CONDUCTOR

Rivers is the second EP from composer John Barber and Fourth Window vocal ensemble. Over its five tracks conductor Sarah Latto and 8 acapella voices tell five different love stories- spiritual, romantic and parental. **Julia**, setting text by Robert Herrick, imagines a lover heading to a magical late night rendezvous; **My River** - written for John's son just after he was born - uses text by Emily Dickinson to create a modern day spiritual of hope and gratitude. In **Lullaby**, a mother sings her baby to sleep whilst her partner is at war. The EP is bookended by **The Voice Of My Beloved** and **Love Is As Strong As Death** - setting timeless text from the Song of Songs.
