**Sergei Rachmaninov (1873–1943)
All-Night Vigil ('Vespers'), Op 37 (1915)**

Rachmaninov was no conventional believer, but the rituals and traditions of the Orthodox Church were an essential part of his musical and cultural background. Phrases reminiscent of liturgical chant appear in his music throughout his life, from the First Symphony of 1895 to the *Symphonic Dances* of 1940; the last of these, indeed, includes an important quotation from the ninth movement of the *Vigil*. Rachmaninov's setting of the *All-Night Vigil* was composed in January and February 1915.

The outbreak of World War I in August 1914 took many people by surprise, and to Rachmaninov it was a severe shock. Since 1906 he had spent a great deal of time in Dresden, where he went for some months nearly every year to compose undisturbed by the pressures of musical life in Moscow, and had a deep love of German culture. Now he found himself confined to Russia and surrounded by an atmosphere of belligerence and xenophobia. His genuine patriotism was horrified by the gutter nationalism that swept the country. In these circumstances he may well have asked himself what it was that was most true and valuable in Russian culture, and turned again to the music of the church choirs that had so impressed him in his childhood.

The Russian Orthodox Church has always recognised the importance of music in its services, but has at the same time imposed restrictions on its performance, which have prevented anything like the musical development that occurred in the Western Church. The guiding principle in Orthodox church music is that the projection of the sacred texts should at all

times be clear, and that nothing should in any way obscure their audibility or their meaning. The words were to be set clearly and continuously, which severely limited the use of such devices as canon and polyphonic imitation. Music was to consist only of singing: no instruments were ever admitted.

Although often referred to as Rachmaninov's 'Vespers', these 15 movements for unaccompanied chorus make up an All-Night Vigil service, which consists not only of Vespers (Nos 1–6), but also includes the liturgical offices of Matins (7–11), Lauds (12) and Prime (13–15). As the Russian Orthodox Church considers the day to begin and end at sunset, the celebration of Sundays and major feast days would begin on the preceding evening with the office of Vespers, and continue through the night until the morning, when the main office of the day would be celebrated.

Although Rachmaninov took great care to observe the general principles of Orthodox church music, he seems to have realised that the practical difficulties of his Vigil made liturgical performances unlikely. The choral writing makes huge demands on even the most skilled choirs. The choir is divided into the normal four ranges of soprano, alto, tenor and bass, but straightforward four-part writing is rare. Each voice is frequently subdivided into two, and sometimes three parts, and in the course of the 15 movements Rachmaninov shows astonishing resource in exploiting every possibility offered by changes of texture, timbre, register and weight. The ranges of the voices reflect particular Russian traditions: the sopranos go no higher than A natural, but the basses are frequently taken down to low D, and there are a number of low Cs and on three occasions low B-flats.

The principal melodic lines are closely moulded to the sound and meaning of the text, and tend to move by steps or in small intervals rarely larger than a third. Several movements are actually based on existing chants (Nos 2, 4, 5, 9, 13, 14 and 15); others are melodically original, though Rachmaninov immersed himself so completely in the traditional chants that it is impossible to tell the difference. What is outstanding is the variety of choral, rhythmic and harmonic treatment, all aimed at the expression of the texts, from exuberant praise and thanksgiving to more inward moments of awe, penitence and meditation.

Sergueï Rachmaninov (1873-1943) Vigiles nocturnes (« Vêpres »), op. 37 (1915)

Rachmaninov n'était pas un croyant au sens conventionnel du terme, mais les rituels et les traditions de l'Église orthodoxe russe constituaient une part essentielle de son bagage musical et culturel. Des réminiscences mélodiques du chant liturgique apparaissent dans sa musique tout au long de sa vie, de la Première Symphonie, de 1895, aux *Danses symphoniques*, de 1940 ; cette dernière partition inclut d'ailleurs une citation importante du neuvième mouvement des *Vigiles nocturnes*. C'est en janvier et février 1915 que Rachmaninov mit cette pièce en musique.

L'éclatement de la Première Guerre mondiale, en août 1914, prit de nombreuses personnes par surprise, et ce fut pour Rachmaninov un choc terrible. Depuis 1906, il passait de longues périodes à Dresde, où il se rendait presque chaque année pour plusieurs mois afin de composer à l'abri des pressions imposées par la vie musicale moscovite, et il éprouvait un amour profond pour la culture germanique. À présent, il se trouvait confiné en Russie et cerné par une atmosphère de belligérance et de xénophobie. Son patriotisme authentique était horrifié par le nationalisme de caniveau qui avait envahi le pays. Dans de telles circonstances, il pourrait bien s'être demandé ce qui avait vraiment de l'authenticité et de la valeur dans la culture russe, ce qui expliquerait son retour à la musique chorale d'église qui l'avait tant impressionné dans son enfance.

L'Église orthodoxe russe a toujours reconnu l'importance de la musique dans ses offices, mais elle a en même temps imposé des restrictions à son exécution qui ont empêché tout ce qui pouvait ressembler au développement musical qu'ont connu

les Églises occidentales. Le principe directeur de la musique liturgique orthodoxe est que l'énoncé des textes sacrés doit toujours rester clair, que rien ne doit jamais entraver leur audibilité ou la perception de leur sens. Les paroles devaient être illustrées avec clarté et sans interruption, ce qui limitait drastiquement le recours à des procédés comme le canon et les imitations polyphoniques. La musique ne devait recourir qu'au chant : aucun instrument ne serait jamais admis.

Bien que souvent désignés comme les « Vêpres » de Rachmaninov, ces quinze mouvements pour chœur a cappella illustrent l'intégralité des Vigiles nocturnes, qui consistent non seulement dans les Vêpres (n°s 1-6), mais aussi dans les offices liturgiques des Matines (7-11), des Laudes (12) et de Prime (13-15). L'Église orthodoxe russe considérant que le jour commence et s'achève au coucher du soleil, la célébration des dimanches et des grandes fêtes débutait le soir précédent par l'office des Vêpres et se poursuivait au cours de la nuit jusqu'au lendemain matin, où avait lieu le principal office du jour.

Bien que Rachmaninov se soit appliqué à observer les principes généraux de la musique sacrée orthodoxe, il semble avoir eu conscience que les difficultés pratiques posées par ses Vigiles rendraient improbables leur exécution liturgique. L'écriture chorale est très exigeante, même pour le chœur le plus talentueux. Le chœur est divisé selon les quatre tessitures habituelles de soprano, alto, ténor et basse, mais la simple écriture à quatre voix est rare. Chaque pupitre est souvent divisé en deux, voire trois parties et, au fil des quinze mouvements, Rachmaninov témoigne d'une imagination étonnante dans l'exploitation des possibilités offertes par la variation des textures, des timbres, des registres et des masses. Les ambitus vocaux reflètent les particularités de la tradition

russe : dans l'aigu, les sopranos ne dépassent pas le *la* naturel, mais les basses descendent fréquemment au *ré*, et l'on trouve plusieurs *ut* graves et même, à trois reprises, un *si bémol* grave.

Les principales lignes mélodiques sont étroitement liées à la sonorité et au sens du texte, et tendent à évoluer par degrés conjoints ou par petits intervalles, rarement au-delà de la tierce. Plusieurs mouvements reposent sur des mélodies liturgiques préexistantes (n°s 2, 4, 5, 9, 13, 14 et 15) ; d'autres emploient des mélodies originales, bien que Rachmaninov se soit immergé si complètement dans le chant liturgique traditionnel qu'il soit impossible de faire la différence. Ce qui est remarquable, c'est la diversité du traitement choral, rythmique et harmonique, dont le seul dessin est l'expression des textes – les louanges exubérantes aussi bien que les moments plus recueillis de crainte, de pénitence et de méditation.

Sergei Rachmaninow (1873–1943) Ganznächtliche Vigil („Vesper“), op. 37 (1915)

Auch wenn Rachmaninow kein im herkömmlichen Sinne Gläubiger war, stellten die Rituale und Traditionen der orthodoxen Kirche doch einen wesentlichen Teil seiner musikalischen und kulturellen Entwicklung dar. Phrasen, die an liturgische Gesänge erinnern, klingen immer wieder in seiner Musik auf, von der Ersten Sinfonie 1895 bis zu den *Sinfonischen Tänzen* aus dem Jahr 1940; in diesen findet sich sogar ein bedeutendes Zitat aus dem neunten Satz der Vigil. Rachmaninow schrieb seine Vertonung der *Ganznächtlichen Vigil* im Januar und Februar 1915.

Der Ausbruch des Ersten Weltkriegs im August 1914 kam für viele Menschen völlig überraschend, und Rachmaninow stand unter Schock. Seit 1906 hatte er immer wieder längere Zeit in Dresden verbracht, schließlich war er jedes Jahr für einige Monate in die Stadt an der Elbe gereist, um ungestört von den Anforderungen des Musikkulturs in Moskau komponieren zu können. Zudem fühlte er sich der deutschen Kultur sehr verbunden. Nun aber war er auf Russland beschränkt und empfand die kriegsbegeisterte und fremdenfeindliche Atmosphäre, die ihn umgab, als Einengung. In seinem aufrichtigen Patriotismus war er entsetzt über den primitiven Nationalismus, der das Land erfasste. Angesichts dieser Umstände fragte er sich vielleicht, welche Werte denn die wahrsten und wertvollsten der russischen Kultur seien – und wandte sich wieder der Musik der Kirchenchöre zu, die ihn in seiner Kindheit so sehr beeindruckt hatten.

In der russisch-orthodoxen Kirche hatte Musik in den Messen immer schon einen hohen Stellenwert eingenommen, gleichzeitig jedoch gab es strenge Vorgaben für deren Darbietung, was

verhinderte, dass eine ähnliche musikalische Entwicklung wie in der Westkirche stattfinden konnte. Oberstes Prinzip der orthodoxen Kirchenmusik ist, dass der Vortrag der heiligen Texte stets klar und deutlich ist und ihr Verständnis und ihre Bedeutung durch nichts beeinträchtigt werden dürfen. Die Worte müssen klar und fortlaufend vertont werden, was jede Verwendung etwa eines Kanons oder einer mehrstimmigen Imitation ausschließt. Die Musik muss ausschließlich aus Gesang bestehen; Instrumente sind zu keiner Zeit zulässig.

Auch wenn das Werk häufig als „Vesper“ Rachmaninows bezeichnet wird, fügen sich die 15 Sätze für Chor a capella zu einer ganznächtlichen Vigil, die nicht nur aus der Vesper besteht (Nr. 1–6), sondern auch die liturgischen Offizien der Matutin (7–11), Laudes (12) und Prim (13–15) umfasst. Da nach der russisch-orthodoxen Kirche der Tag mit dem Sonnenuntergang anfängt und endet, beginnt die Feier des Sonntags und der hohen Feiertag stets am Vorabend mit dem Offizium der Vesper und zieht sich die Nacht hindurch bis zum Morgen hin, wenn das Hauptoffizium des Tages begangen wird.

So sehr Rachmaninow auch darauf achtete, den Prinzipien der orthodoxen geistlichen Musik zu folgen, war ihm offenbar bewusst, dass die praktischen Schwierigkeiten seiner Vigil eine liturgisch eingebundene Darbietung unwahrscheinlich machen. Die stimmlichen Anforderungen bringen selbst für erstklassige Chöre große Schwierigkeiten mit sich. Der Chor ist in die üblichen vier Lagen unterteilt – Sopran, Alt, Tenor und Bass –, schlichte Vierstimmigkeit ist jedoch selten. Häufig wird jede Stimme zweit-, bisweilen sogar dreiteilt, und im Verlauf der 15 Sätze wendet Rachmaninow erstaunlichen Einfallsreichtum auf, um jede nur denkbare Veränderung in Klangfarbe, Timbre, Register und Gewicht

zu beschwören. Der Umfang der Stimmen folgt der russischen Tradition: Die Soprane gehen nicht höher als bis zum zweigestrichenen A, die Bässe jedoch gehen häufig bis zum großen D hinab, es gibt mehrere große Cs und drei Mal sogar große Bs.

Die wesentlichen Melodielinien lehnen sich eng an den Klang und die Bedeutung des Textes an und schreiten meist schrittweise oder in kleinen Intervallen von selten mehr als einer Terz voran. Mehrere Sätze beruhen auf bestehenden Chorälen (Nr. 2, 4, 5, 9, 13, 14 und 15), andere sind melodisch neu, obwohl Rachmaninow derart tief in die traditionellen Gesänge eintauchte, dass sich der Unterschied unmöglich eindeutig bestimmen lässt. Bestechend ist die vielfältige chorische, rhythmische und harmonische Behandlung, die stets im Dienst des Textes steht, von überschäumendem Preisen und Danksagen bis hin zu innerlichen Momenten der Ehrfurcht, Buße und Meditation.

Sergei Rachmaninov (1873–1943)

'Melody is music,' wrote Rachmaninov, 'the basis of music as a whole, since a perfect melody implies and calls into being its own harmonic design.' The Russian composer, pianist and conductor's passion for melody was central to his work, clearly heard in his *Rhapsody on a Theme of Paganini*, a brilliant and diverse set of variations on a tune by the great 19th-century violinist and composer Niccolò Paganini.

Although the young Sergei's father squandered much of the family inheritance, initially he invested wisely in his son's musical education. In 1882 the boy received a scholarship to study at the St Petersburg Conservatory, but further disasters at home hindered his progress and he moved to study at the Moscow Conservatory. Here he proved an outstanding piano pupil and began to study composition. Rachmaninov's early works reveal his debt to the music of Rimsky-Korsakov and Tchaikovsky, although he rapidly forged a personal, richly lyrical musical language, clearly expressed in his Prelude in C sharp minor for piano (1892).

His First Symphony (1897) was savaged by the critics, which caused the composer's confidence to evaporate. In desperation he sought help from Dr Nikolai Dahl, whose hypnotherapy sessions restored Rachmaninov's self-belief and gave him the will to complete his Second Piano Concerto, widely known through its later use as the soundtrack for the classic film *Brief Encounter*. Thereafter, his creative imagination ran free to produce a string of unashamedly romantic works divorced from newer musical trends. He left Russia shortly before the October Revolution in 1917, touring as pianist and conductor and buying properties in Europe and the United States.

Sergueï Rachmaninov (1873–1943)

« La mélodie, c'est la musique », écrit Rachmaninov, « c'est la base de la musique tout entière, car une mélodie parfaite implique et fait surgir son propre schéma harmonique. » La passion du compositeur, pianiste et chef d'orchestre russe pour la mélodie fut capitale pour son œuvre, comme en témoigne à l'évidence sa *Rhapsodie sur un thème de Paganini*, série de variations pleines de brio et de diversité sur un air du grand violoniste et compositeur du XIX^e siècle Niccolò Paganini.

Bien que le père du jeune Sergueï ait dilapidé une bonne part de l'héritage familial, il eut au commencement la sagesse d'investir sur l'éducation musicale de son fils. En 1882, le jeune garçon obtint une bourse pour aller étudier au conservatoire de Saint-Pétersbourg, mais de nouvelles catastrophes familiales mirent un frein à ses progrès et il déménagea afin de poursuivre son apprentissage au conservatoire de Moscou. Il s'y révéla comme un élève de piano très doué et y commença l'étude de la composition. Les premières œuvres de Rachmaninov révèlent sa dette à l'égard de la musique de Rimski-Korsakov et Tchaïkovski, même s'il s'est rapidement forgé un langage musical personnel, éminemment lyrique, qui s'exprime avec évidence dans le *Prélude pour piano en ut dièse mineur* (1892).

Sa *Première Symphonie* (1897) fut éreintée par la critique, ce qui anéantit son assurance. Dans son désespoir, le compositeur chercha secours auprès du Dr Nikolai Dahl, qui par des séances d'hypnose rétablit sa confiance en lui-même et suscita sa volonté de composer le *Deuxième Concerto pour piano*, appelé à une célébrité planétaire par son apparition ultérieure dans la bande-son de *Brève Rencontre*, un classique du cinéma. Par la suite, l'imagination créatrice de Rachmaninov se déploya sans ambages dans une succession d'œuvres délibérément romantiques, qui tournaient le dos aux courants musicaux les plus modernes. Il quitta la Russie peu avant la révolution d'Octobre en 1917, donnant des concerts comme pianiste et chef d'orchestre et achetant des propriétés en Europe et aux Etats-Unis.

Sergei Rachmaninow (1873–1943)

„Melodie ist Musik“, schrieb Rachmaninow, „die Grundlage der Musik als Ganzes, weil eine perfekte Melodie ihre eigene harmonische Gestalt birgt und ins Leben ruft.“ Die Leidenschaft des russischen Komponisten, Pianisten und Dirigenten für Melodien spielte in seinem Schaffen eine zentrale Rolle und ist deutlich hörbar in seiner *Rhapsodie über ein Thema von Paganini*, einer brillanten und vielseitigen Variationsreihe über ein Thema des großartigen Violinisten und Komponisten des 19. Jahrhunderts Niccolò Paganini.

Obwohl der Vater des jungen Sergei den Großteil des Erbes verschwendete, investierte er anfänglich klug in die musikalische Ausbildung seines Sohns. 1882 erhielt der Junge ein Stipendium für ein Studium am St. Petersburger Konservatorium, doch weitere Katastrophen zu Hause hinderten seine Entwicklung. Er zog deshalb nach Moskau und studierte dort weiter. Hier erwies er sich als ein ausgezeichneter Klavierstudent und begann mit Kompositionunterricht. Rachmaninows frühe Werke zeigen den Einfluss von Rimski-Korsakow und Tschaikowski. Doch bald schon bildete er eine eigene, opulent lyrische Musiksprache heraus, die deutlich in seinem Prélude in cis-Moll für Klavier (1892) zum Ausdruck kommt.

Seine 1. Sinfonie (1897) wurde von den Rezensenten zerrissen, was das Selbstwertgefühl des Komponisten total zerrüttete. Verzweifelt bat er Dr. Nikolai Dahl um Hilfe, dessen Hypnotherapie Rachmaninows Glauben an sich selbst wiederherstellte und ihn im Willen stärkte, sein 2. Klavierkonzert abzuschließen, das durch seine spätere Verwendung als Musik zum Filmklassiker *Begegnung* weithin bekannt wurde. Danach entfaltete sich Rachmaninows Kreativität frei und er schuf eine Reihe von unverhohlen romantischen Werken jenseits neuerer musikalischer Trends. Er verließ Russland kurz vor der Oktoberrevolution 1917, unternahm Konzertreisen als Pianist und Dirigent und erwarb Immobilien in Europa und den USA.

Very early in the morning
the myrr-bearers ran with sorrow to Thy tomb,
but an Angel came to them and said:
'The time for sorrow has come to an end! Do not
weep, but announce the resurrection to the apostles!'

Blessed art Thou, O Lord,
teach me Thy statutes.

The myrr-bearers were sorrowful
as they neared Thy tomb,
but the Angel said to them:
'Why do you number the living among the dead?
Since He is God, He is risen from the tomb!'

Glory to the Father and to the Son
and to the Holy Spirit.

We worship the Father, and His Son,
and the Holy Spirit:
the Holy Trinity, one in essence!
We cry with the Seraphim:
'Holy, Holy, Holy art Thou, O Lord!'

Both now and ever, and unto ages of ages. Amen.

Since Thou didst give birth to the Giver of Life, O Virgin,
Thou didst deliver Adam from his sin!
Thou gavest joy to Eve instead of sadness!
The God-man who was born of Thee
has restored to life those who had fallen from it!

Alleluia, alleluia, alleluia! Glory to Thee, O God!

10 – Having beheld the resurrection of Christ

Having beheld the Resurrection of Christ,
let us worship the holy Lord Jesus,
the only Sinless One.
We venerate Thy Cross, O Christ,
and we hymn and glorify Thy holy resurrection,
for Thou art our God, and we know no other than Thee;
we call on Thy name.
Come, all you faithful,
let us venerate Christ's holy resurrection.
For, behold, through the cross
joy has come into all the world.
Ever blessing the Lord,
let us praise His resurrection,
for by enduring the cross for us,
He has destroyed death by death.

11 – My soul doth magnify the Lord

My soul doth magnify the Lord,
and my spirit hath rejoiced in God my Saviour.

More honourable than the Cherubim
and more glorious beyond compare than the Seraphim,
without corruption
Thou gavest birth to God the Word,
true Theotokos, we magnify Thee.

For He hath regarded the lowliness of His handmaiden.
For behold, from henceforth all generations shall call
me blessed. More honourable ...

and His mercy is on them that fear Him, thoughout all

He hath put down the mighty from their seat,
and hath exalted the humble and meek;
He hath filled the hungry with good things,
and the rich He hath sent empty away.
More honourable ...

He remembering his mercy,
hath holpen His servant Israel,
as he promised to our forefathers,
Abraham and his seed for ever.
More honourable ...

12 – The Great Doxology

Glory be to God on high, and on earth peace,
Goodwill towards men.
We praise Thee, we bless Thee,
we worship Thee, we glorify Thee,
we give thanks to Thee for Thy great glory.
O Lord God, Heavenly King,
God the Father almighty.
O Lord, the only begotten Son, Jesu Christ,
and the Holy Spirit.
O Lord God, Lamb of God, Son of the Father,
that takest away the sin of the world
have mercy on us.
Thou that takest away the sins of the world,
receive our prayer.
Thou that sittest at the right hand of the Father,
have mercy on us.
For Thou only art holy,
Thou only art the Lord, Jesus Christ,
to the glory of God the Father. Amen.

Every day will I bless Thee
and I will praise Thy name forever, yea forever and ever.
Vouchsafe, O Lord,
to keep us this day without sin.

Blessed art Thou, O Lord,
God of our fathers,
and praised and glorified is Thy name forever. Amen.
Let Thy mercy, O Lord, be upon us,
as we have set our hope on Thee.
Blessed art Thou, O Lord,
teach me Thy statutes.
Lord, Thou has been our refuge
from generation to generation.
I said: Lord, have mercy on me,
heal my soul, for I have sinned against Thee.
Lord, I flee to Thee,
teach me to do Thy will,
for Thou art my God;
for with Thee is the fountain of life,
and in Thy light we shall see light.
Continue Thy mercy on those who know Thee.

Holy God, Holy Mighty,
Holy Immortal, have mercy on us.
Glory to the Father, and to the Son,

The London Symphony Chorus was formed in 1966 to complement the work of the London Symphony Orchestra. The partnership between the LSC and LSO was developed and strengthened in 2012 with the joint appointment of Simon Halsey as Chorus Director of the LSC and Choral Director for the LSO. The LSC has partnered other major UK and international orchestras including the Berlin and Vienna Philharmonic orchestras, Boston Symphony Orchestra and the European Union Youth Orchestra. Along with regular appearances at the major London venues, the LSC tours extensively throughout Europe and has visited North America, Israel, Australia, and the Far East.

The chorus has recorded widely, with releases including Britten's *War Requiem* with Gianandrea Noseda, Haydn's *The Seasons*, Walton's *Belshazzar's Feast* and Verdi's *Otello*, and the world premiere issue of MacMillan's *St John Passion*. The chorus also partners the LSO on Gergiev's recordings of Mahler's Symphonies Nos 2, 3 and 8, while the men of the chorus took part in the recent Gramophone Award-winning recording of *Götterdämmerung* with the Hallé under Sir Mark Elder.

The chorus has also commissioned new works from composers such as Sir John Tavener, Sir Peter Maxwell Davies, Michael Berkeley and Jonathan Dove, and took part in the world premiere of James MacMillan's *St John Passion* with the LSO and Sir Colin Davis in 2008, and in the second London performance in February 2010.

The London Symphony Chorus is always interested in recruiting new members, welcoming applications from singers of all backgrounds, subject to an audition. Visit www.lsc.org.uk

The LSO was formed in 1904 as London's first self-governing orchestra and has been resident orchestra at the Barbican since 1982. Valery Gergiev became Principal Conductor in 2007 following in the footsteps of Hans Richter, Sir Edward Elgar, Sir Thomas Beecham, André Previn, Claudio Abbado and Michael Tilson Thomas among others. Sir Colin Davis had previously held the position since 1995 and from 2007 became the LSO's first President since Leonard Bernstein. The Orchestra gives numerous concerts around the world each year, plus more performances in London than any other orchestra. It is the world's most recorded symphony orchestra and has appeared on some of the greatest classical recordings and film soundtracks. The LSO also runs LSO Discovery, its ground-breaking education programme that is dedicated to introducing the finest music to young and old alike and lets everyone learn more from the Orchestra's players. Premier orchestre autogéré de Londres, le LSO fut fondé en 1904. Il est en résidence au Barbican depuis 1982. Valery Gergiev a été nommé premier chef en 2007, succédant à Hans Richter, Sir Edward Elgar, Sir Thomas Beecham, André Previn, Claudio Abbado et Michael Tilson Thomas, entre autres. Sir Colin Davis occupait auparavant le poste depuis 1995 et, en 2007, il devint le premier président du LSO depuis Leonard Bernstein. Chaque année, l'Orchestre donne de nombreux concerts à travers le monde, tout en se produisant plus

souvent à Londres que n'importe quel autre orchestre. C'est l'orchestre au monde qui a le plus enregistré, et on le retrouve sur des enregistrements devenus de grands classiques, ainsi que sur les bandes son des films les plus célèbres. Grâce à LSO Discovery, l'Orchestre est également un pionnier en matière de pédagogie; ce programme s'attache à faire découvrir les plus belles pages du répertoire aux enfants comme aux adultes, et à permettre à chacun de s'enrichir au contact des musiciens de l'Orchestre. Valery Gergiev wurde 2007 zum Chefdirigenten ernannt und trat damit in die Fußstapfen von Hans Richter, Sir Edward Elgar, Sir Thomas Beecham, André Previn, Claudio Abbado, Michael Tilson Thomas und anderen. Sir Colin Davis hatte diese Position seit 1995 inne und wurde 2007 zum ersten Präsidenten des London Symphony Orchestra seit Leonard Bernstein erkoren. Das Orchester gibt jedes Jahr zahlreiche Konzerte in aller Welt und tritt darüber hinaus häufiger in London auf als jedes andere Orchester. Es ist das meistaufgenommene Orchester der Welt und hat einige der bedeutendsten klassischen Schallplattenaufnahmen und Filmmusiken eingespielt. Daneben zeichnet das LSO verantwortlich für LSO Discovery, ein bahnbrechendes pädagogisches Programm mit dem Ziel, Jung und Alt die schönste Musik nahe zu bringen und mehr von den Musikern des Orchesters zu lernen.
