Walking Tunes • Percy Grainger • Solo Piano Works Vol. 2 • Simon Mulligan

International Release Date: August 1, 2025

Format: Streaming Only

Audio Resolution: HD 96k; ADM 192k

Focus Tracks: 1. In Dahomy; 3. The Hunter in his Career; 9. Gay but Wistful

Simon Mulligan continues his traversal of Percy Grainger's solo piano music. Volume 2 in the series includes some of Grainger's popular folksong setting such as *Scotch Strathspey and Reel* as well as works that feature the experimental side of his compositional style.

"Mulligan takes the technical complexities of the music in his stride with room to spare, and seems genuinely to relish the rhythmic and harmonic vitality..."
