Haiou Zhang - one of the most passionate pianists of his generation

As for this new album, neither Glinka nor Dvořák are strangers to Haiou Zhang, since he is considered to be one of the most passionate pianists of his generation as far as piano chamber music is concerned.

The Dvořák Piano Quintet and Glinka's Gran Sestetto have always been at the heart of his chamber music repertoire. Haiou Zhang has performed these masterpieces in numerous concerts with ensembles. "It took me quite some time to feel really ready for a recording. Both pieces are delicate and need careful attention to obtain the perfect balance of sound and harmony".
